THE SPIRIT OF THE NORTHWOODS

The Spirit of the Northwoods is the essence of Camp Olson. This spirit is alive in the songs, games and laughter that fill our days. It lives in the community of youth and leaders from across the globe that come together each summer to share in fun, fellowship, and adventure. It is the respect and reverence for the environment that is instilled in all campers through a direct, personal experience in nature.

New Art Center arriving summer of 2024!

Our Facilities

Camp Olson is an inspiring place! It is located 3.5 hours from the Twin Cities metro area and 2 hours from Duluth. Our property holds over 1,350 acres of pristine forests, lakes, and fields. Main camp is situated on Little Boy Lake while the Adventure Outpost is located on Cooper Lake. The Shurds, our private chain of lakes, are used for camp-outs and fantastic fishing.

Surrounded by scenic waters and trails, Camp Olson is home to premier sailing and horseback riding programs. Other facilities include a nature center, archery range, rifle range, craft shop, beach, mountain bike shop, sauna, fishing pier, and miles of trails for bikes and horses. Our rustic cabins are ideal for small-group living.

OUR COMMITMENT TO SAFETY

Camp Olson is accredited by the American Camping Association and the YMCA of the USA. We are committed to physical and psychological safety and aim to create an inclusive camp community where each camper is valued and celebrated for who they are. We work to ensure that every camper, regardless of income, faith, gender identity, race, ability or background has the chance to experience summer camp and all its magic.

Our counselors and program staff members are CPR, first-aid, and lifeguard certified by the American Red Cross and receive additional training in mental health and trauma-informed practices. Storm and emergency response drills are practiced and reinforced throughout the season to keep our staff prepared.

Professional health care staff is on duty 24 hours a day in the Camp Olson Health Lodge to respond to any medical needs. Health Care Staff distributes prescription medications and provides first-aid as needed.

Our food service staff is able to accommodate almost every food allergy or dietary restriction with tasty and nutritious alternatives.

To best support your camper, clear communication about the level of support your child needs is essential in setting them up for success. So we may provide a positive experience, please contact us if your child has any special needs requiring any accommodations.

TRADITIONAL PROGRAMS

Voyageur Short Week

Ages 7-10

Perfect for first time campers! Voyageur campers will enjoy four action-packed days at Camp Olson where counselors will guide them through many of the fun and exciting activities we offer here at camp.

Note: Only one-way transportation is available. Please view our dates and rates grid for more information.

Pathfinder Camp

Ages 8-9

Geared perfectly towards younger campers, Pathfinders will spend their week with their two counselors who will lead them in all daily activities, getting a taste of all camp has to offer. Pathfinders will have a cookout over a campfire and bond with their nurturing counselors and fellow cabinmates.

Discovery Camp

Ages 9-15

Campers live, learn, and discover the "Spirit of the Northwoods" through new friendships, independence, and exploration of the outdoors. Upon arrival, campers are assigned a cabin which they will share with two counselors and fellow campers. Mornings are spent with their cabin group and are structured to include all of the activities Camp Olson has to offer. During the afternoon, campers are given the freedom to choose their own activities. Discovery campers will camp-out for one night with their cabin-mates around our beautiful Shurds Lakes. Choose single or multiple week sessions.

Discovery+ All-Gender Option

We hope that by creating an all-gender cabin option, campers who don't want to be in a traditional 'gendered' cabin for any reason, maybe they want to have a cabin mate request of a different gender, such as their friend, sibling or cousin or they have not felt safe in a specifically gendered space, or maybe they just want to try something new. This option would be open to anyone who opts in regardless of gender identity or sex, though availability is subject to change. Available in other sessions if enough interest.

Discovery Canoe Camp

Ages 12-14

Love Discovery Camp but are looking for a new adventure? Try Canoe Camp! This program is structured just like Discovery Camp with one exception. Instead of having your overnight in the Shurds, campers will travel down the Boy River and camp away from camp for the night. Campers will prepare for their trip by heading down to the outpost the afternoon before their departure to practice canoeing and other camping skills. This program is a great first step for campers hoping to join the LIT program in future summers.

Skipper in Training

Ages 15-17

The Skipper in Training Program offers campers the chance to learn what it takes to work at the Camp Olson Boathouse. SITs will perfect their sailing skills while gaining knowledge of boat maintenance, teaching skills and program leadership. Choose single or multiple week sessions. SIT participants should have already received at least their level of Mate or Mate First Class or have equivalent experience/knowledge.

Superior Sailing Trip

Ages 13-16

This voyage to the Apostle Islands is the perfect program for our more advanced sailing campers. Campers will spend either 5 or 10 days out on the big water on a 33'+ sailboat learning what it takes to captain such a vessel. In addition to time spent learning more about sailing, campers will get to explore these beautiful and unique islands. Groups will be sent with one of our advanced sailing counselors and will form bonds that will last a lifetime!

THE BOATHOUSE

Sailing Camp

Camp Olson cowpokes learn and practice their riding skills each morning. Later in the week, they will have the opportunity to enjoy a meal on the trails around our beautiful Shurds Lakes. Riding campers will learn about our horses and how to take care of them while gaining self-confidence as they hone their riding skills and work to attain riding level awards. Afternoons are free to enjoy more riding or other program areas.

Beginner Horseback Riding

WIT participants should have already received at least their level of Ranch Hand or Cowgirl/Cowboy or have equivalent experience/knowledge.

LEADERSHIP DEVELOPMENT

Programs for Teens

Hundreds of young adults are uplifted and inspired each summer during their time at Camp Olson. Nurtured by inspired leaders and immersed in nature's beauty, teens and young adults at Camp Olson are offered the opportunity to reflect and discover themselves. Our Leadership Development programs cultivate young leaders through intense curricula that challenge the mind, body, and spirit of all participants. At Camp Olson, we build great leaders who apply themselves in their lives, schools, and communities.

Leaders in Training

The Camp Olson LIT program is tailored to the teen camper who is seeking a deeper camping experience – one with added challenge, adventure, and involvement. Through hands-on training and group initiatives, the Camp Olson LIT program focuses on cooperation, team building, and leadership skills both at Camp Olson and on the trail. *Note: Prior to arrival, LITs will receive a special packing list of items they will need for their trip.*

LIT I

Ages 13-15

This two-week program includes a 4-day group canoe or backpacking trip to one of Minnesota's beautiful State Parks led by qualified leaders. Possible locations could include Itasca, Scenic, or St. Croix State Parks. Campers will also participate in numerous team-building initiatives and begin to stretch their comfort zones and gain leadership skills. No experience or special equipment is required.

LIT II

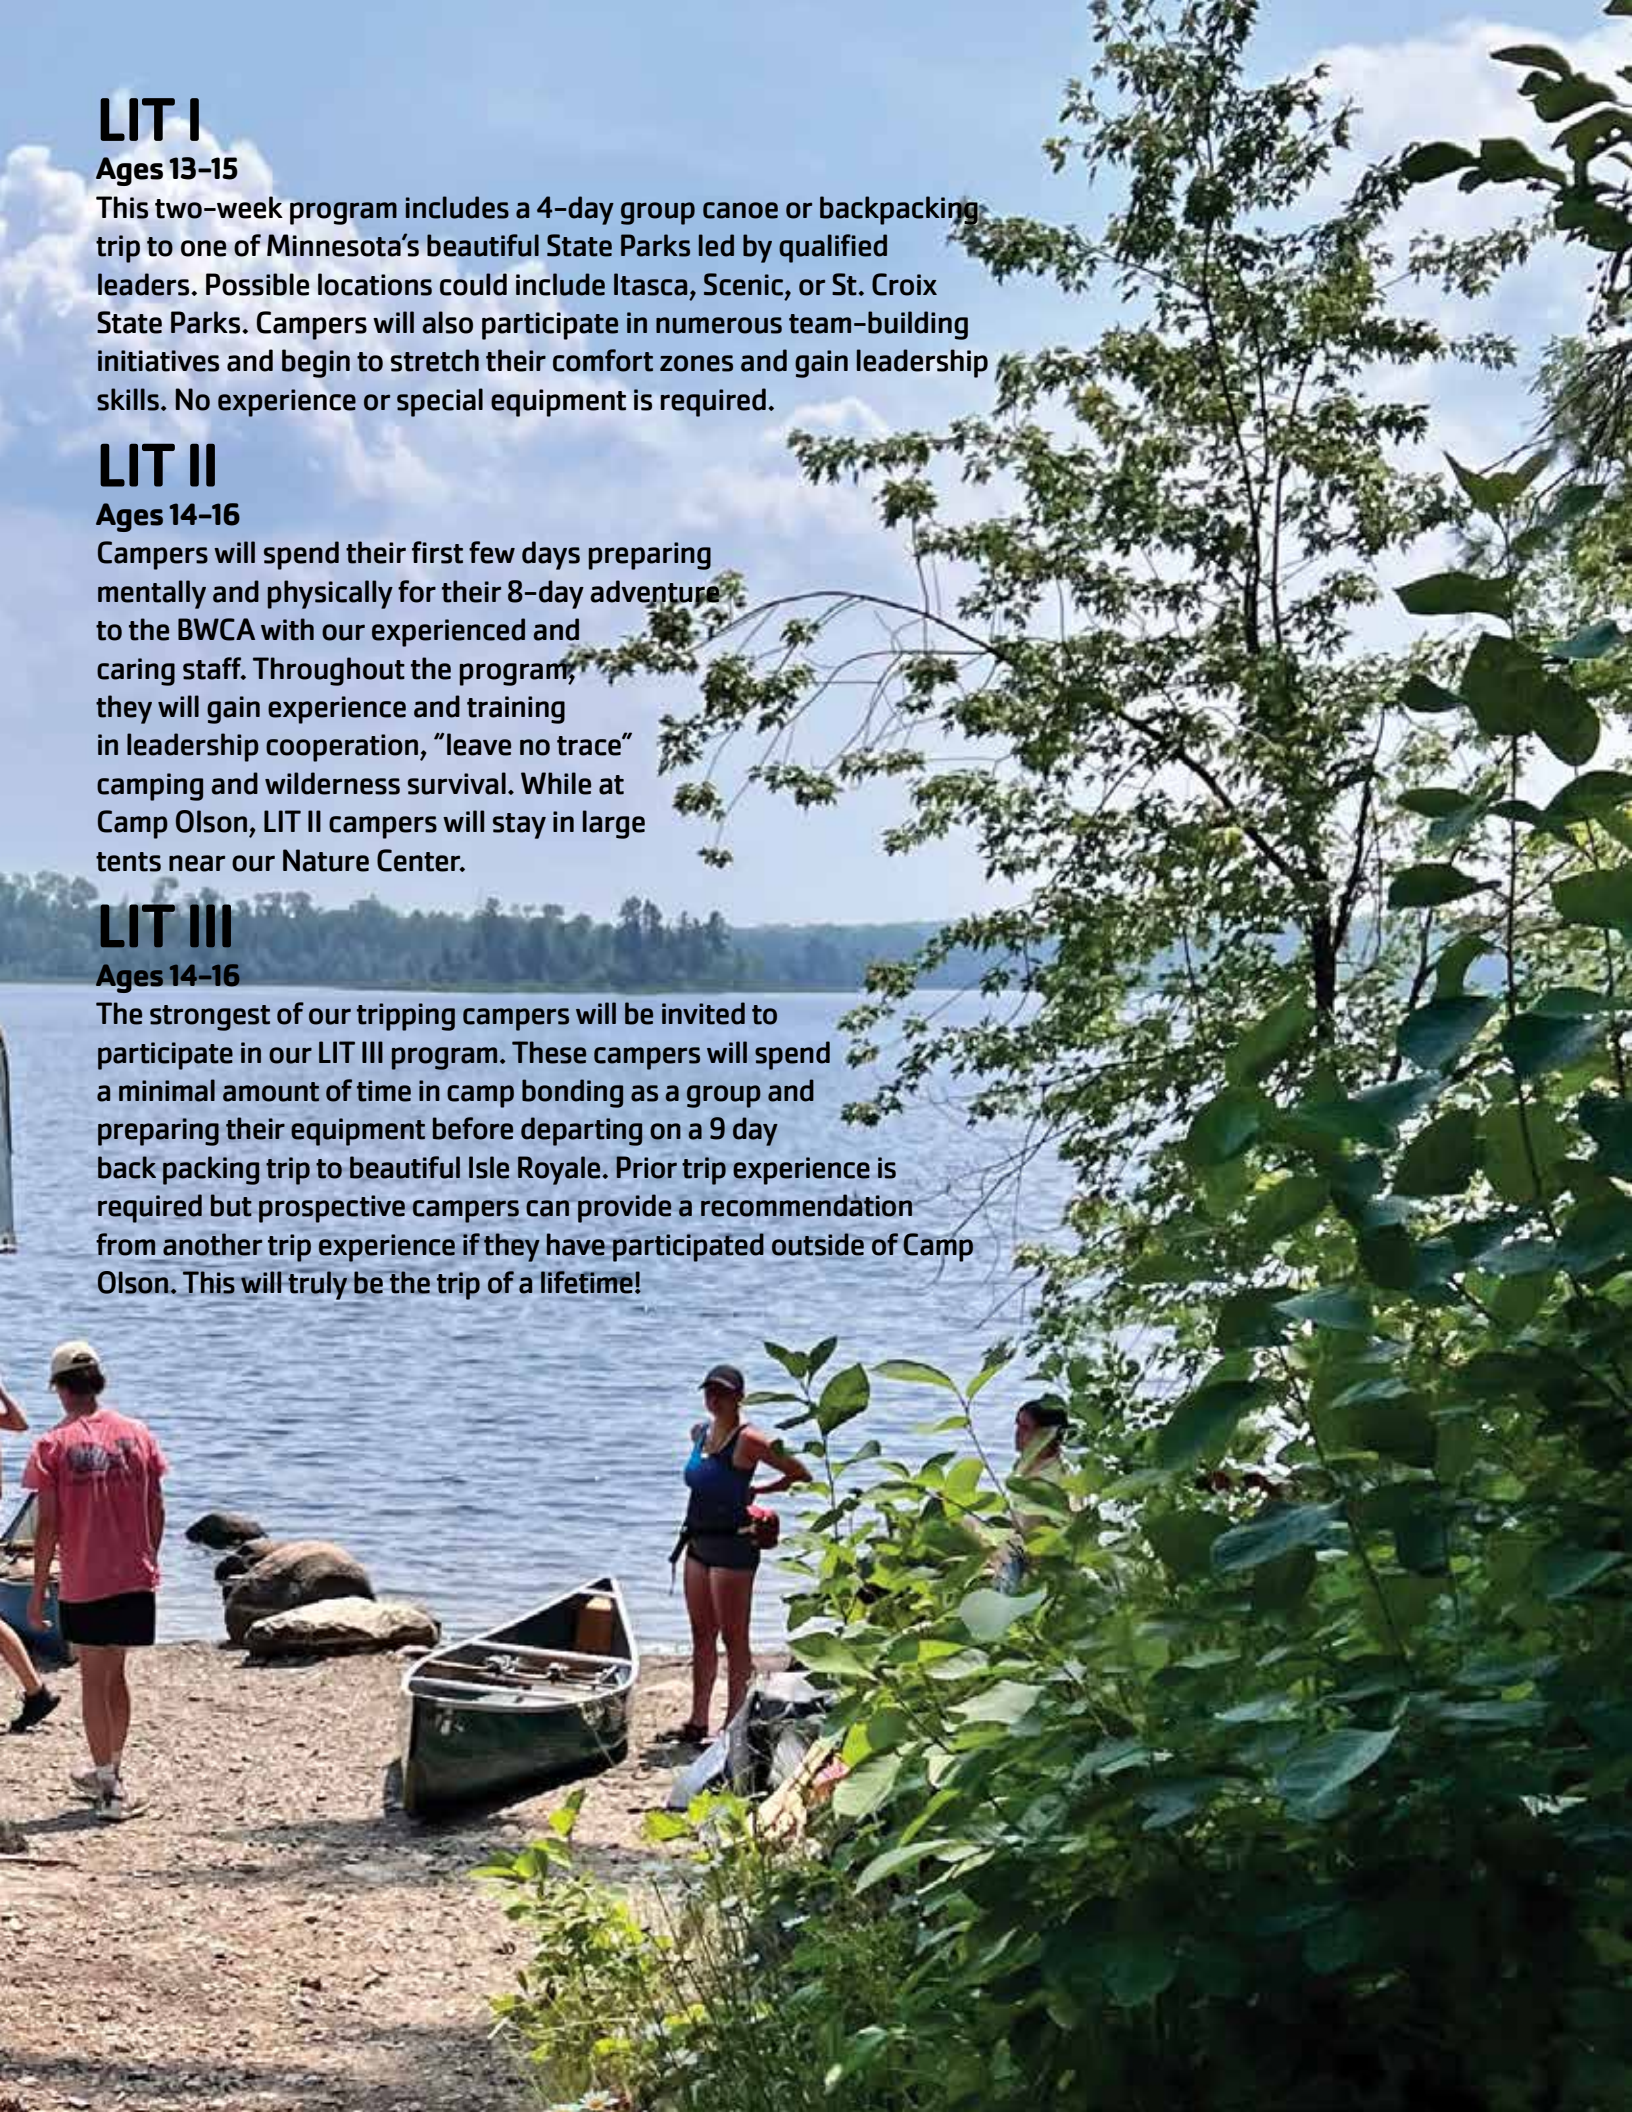

Ages 14-16

Campers will spend their first few days preparing mentally and physically for their 8-day adventure to the BWCA with our experienced and caring staff. Throughout the program, they will gain experience and training in leadership cooperation, "leave no trace" camping and wilderness survival. While at Camp Olson, LIT II campers will stay in large tents near our Nature Center.

LIT III

Ages 14-16

The strongest of our tripping campers will be invited to participate in our LIT III program. These campers will spend a minimal amount of time in camp bonding as a group and preparing their equipment before departing on a 9 day back packing trip to beautiful Isle Royale. Prior trip experience is required but prospective campers can provide a recommendation from another trip experience if they have participated outside of Camp Olson. This will truly be the trip of a lifetime!

LEADERSHIP DEVELOPMENT

Counselors in Training

Ages 16-17

The popular Camp Olson CIT program offers campers the ultimate training experience for those who aspire to work as a camp counselor. CITs will spend a week on the Superior Hiking Trail, bonding and pushing their limits. The lessons learned on trail will be immediately put to use upon returning to camp. For the rest of their session, CITs will participate in leadership training and instruction in each of Camp Olson's program areas. This is a highly competitive and space-limited program. An application is required.

OUTCOMES OF CAMP OLSON LEADERSHIP PROGRAMS INCLUDE:

- Increased self-esteem and self-motivation to be a leader
- Enhanced communication and interpersonal skills
- Positive, meaningful connection & appreciation of the environment
- Competency in camping skills and "leave no trace" principles
- Positive relationships with leaders/role models

#CampOlson

We acknowledge that YMCA Camp Olson is located on the traditional, ancestral, and contemporary lands taken from the Ojibwe people in the 19th century. We honor and respect those who were forcibly removed from and who are still connected to the land on which the camp is located. We will work to protect and honor this place, and to build relationships with all of the people who have called this place home.
